---	----

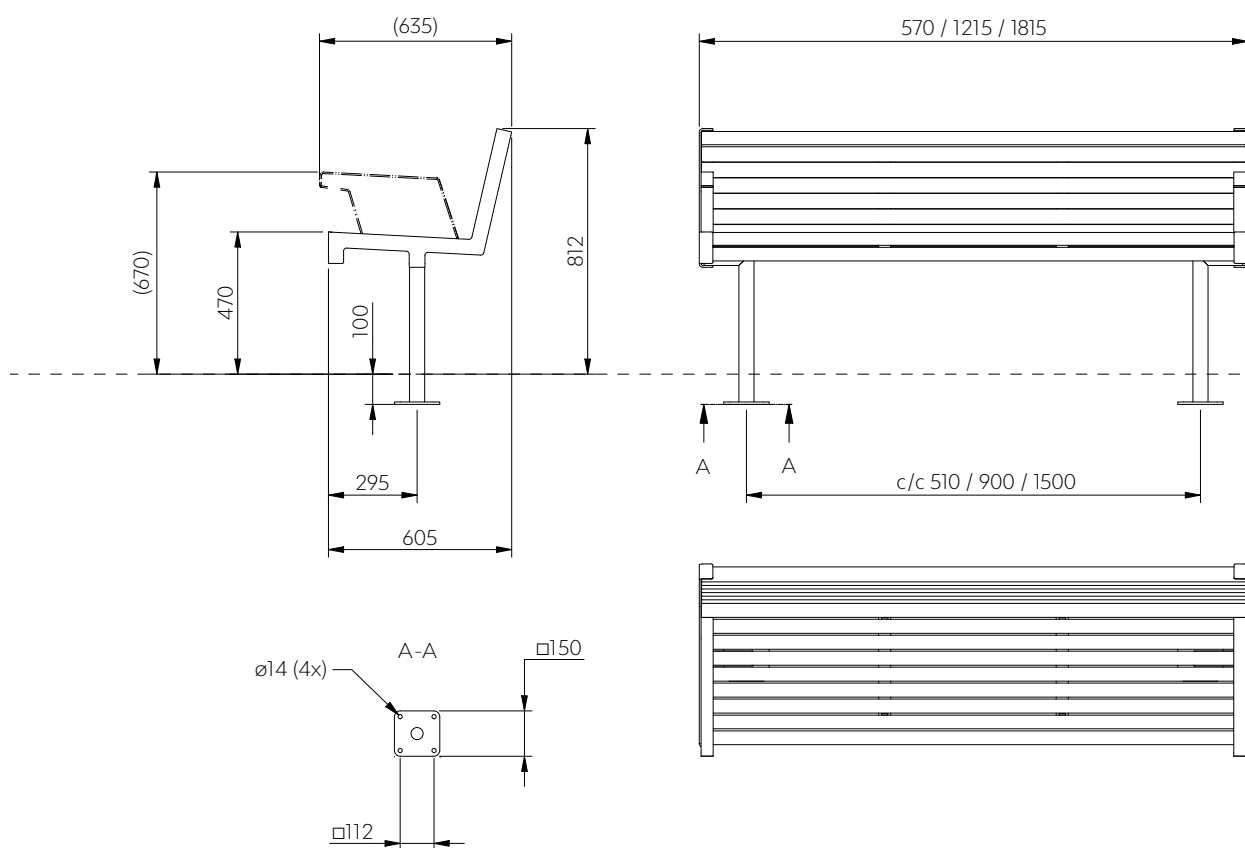

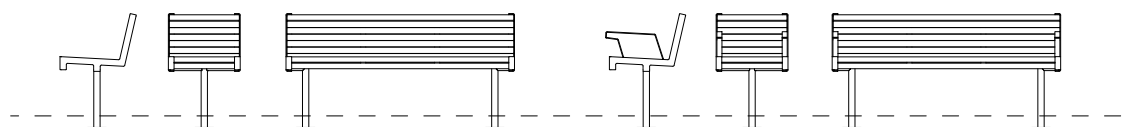

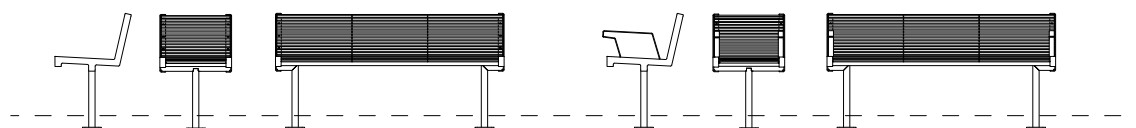

1. Dimensioner | Dimensions

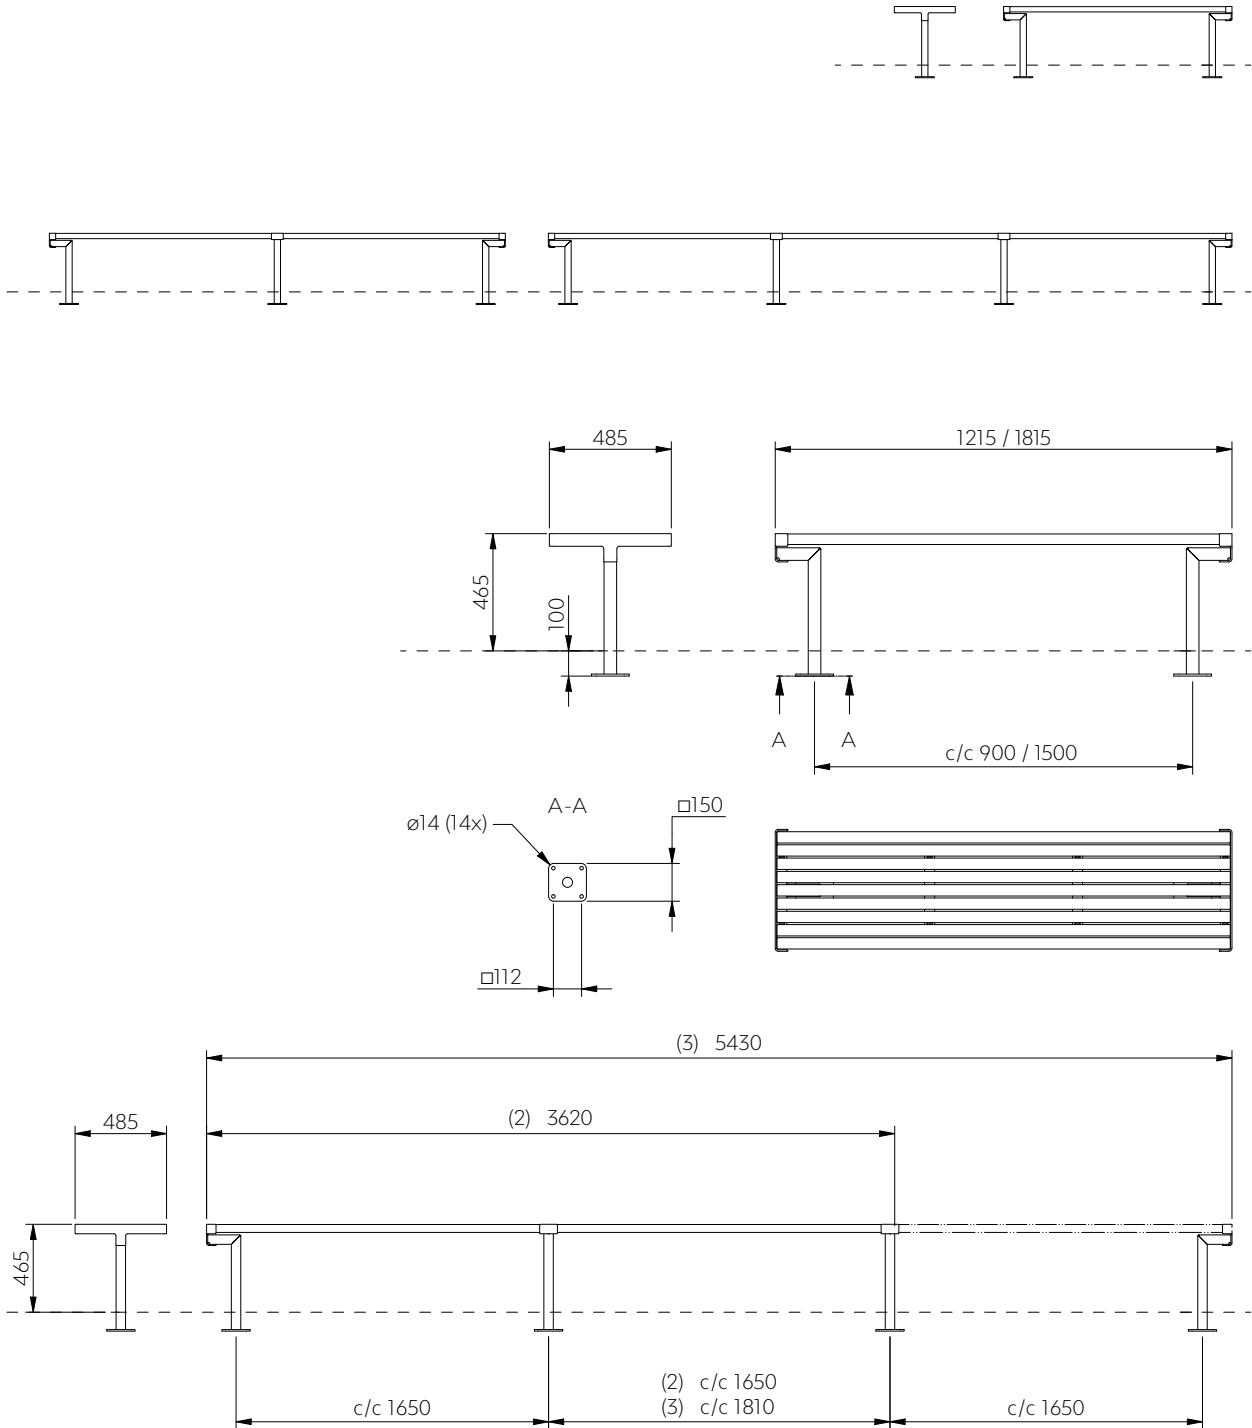

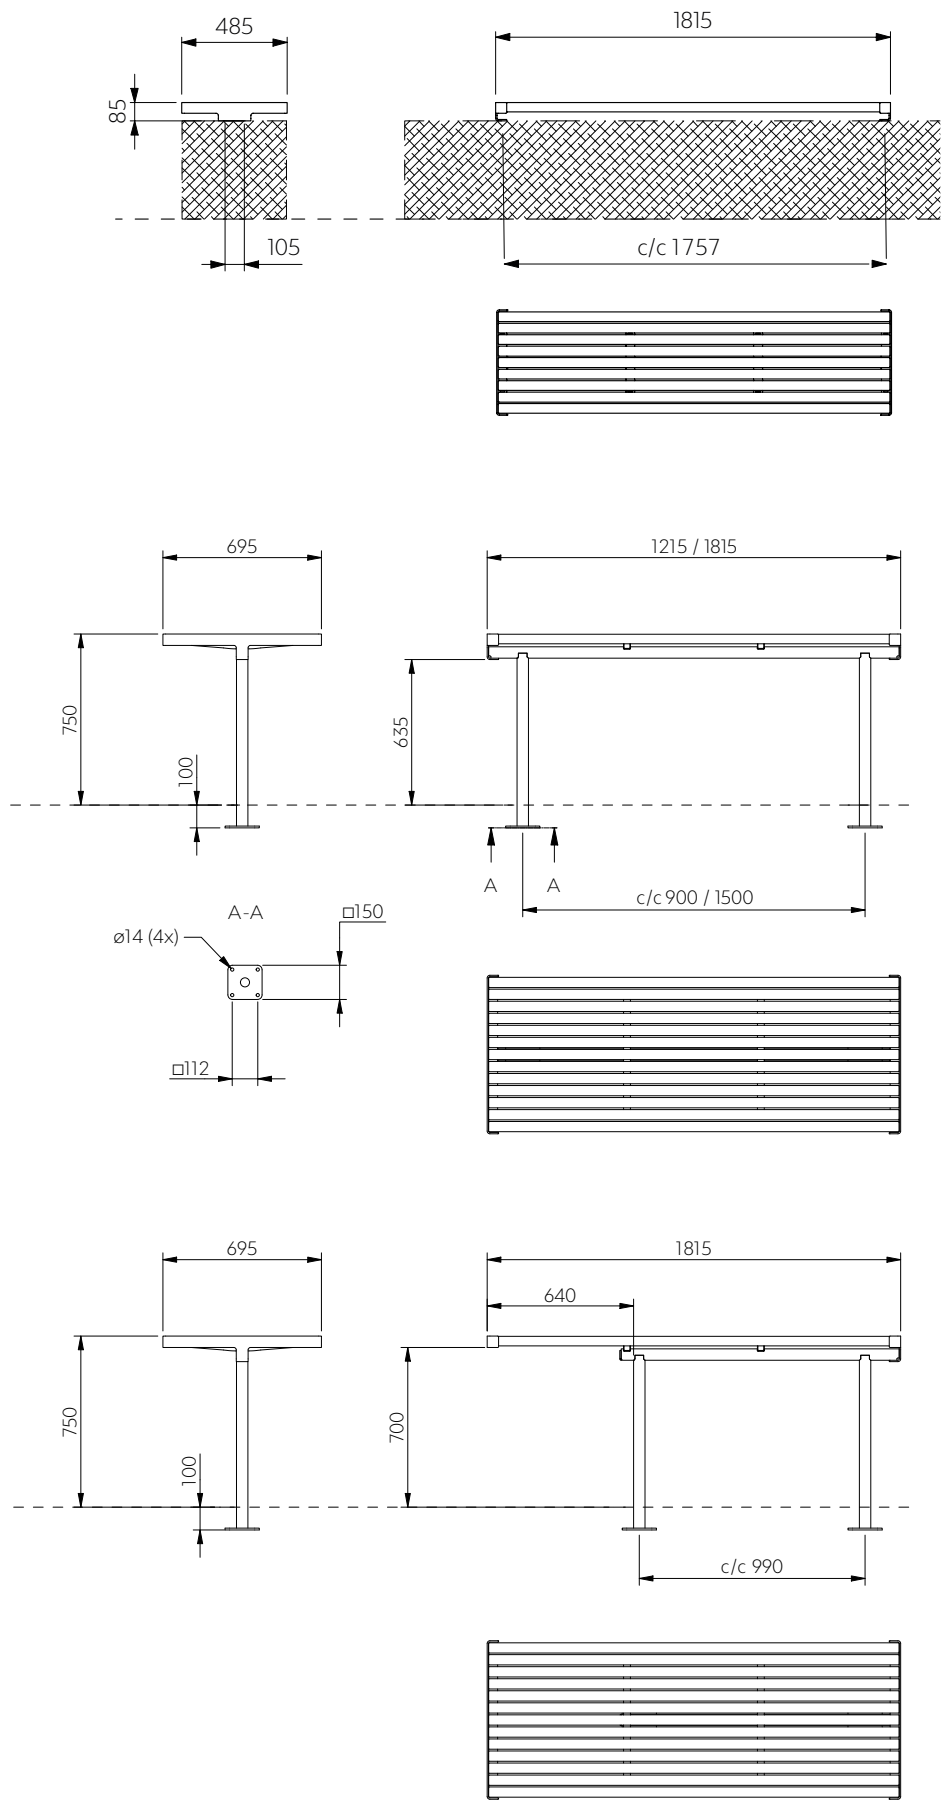

A-A

2. Avstånd sittmöbel - bord | Distance seating furniture - table

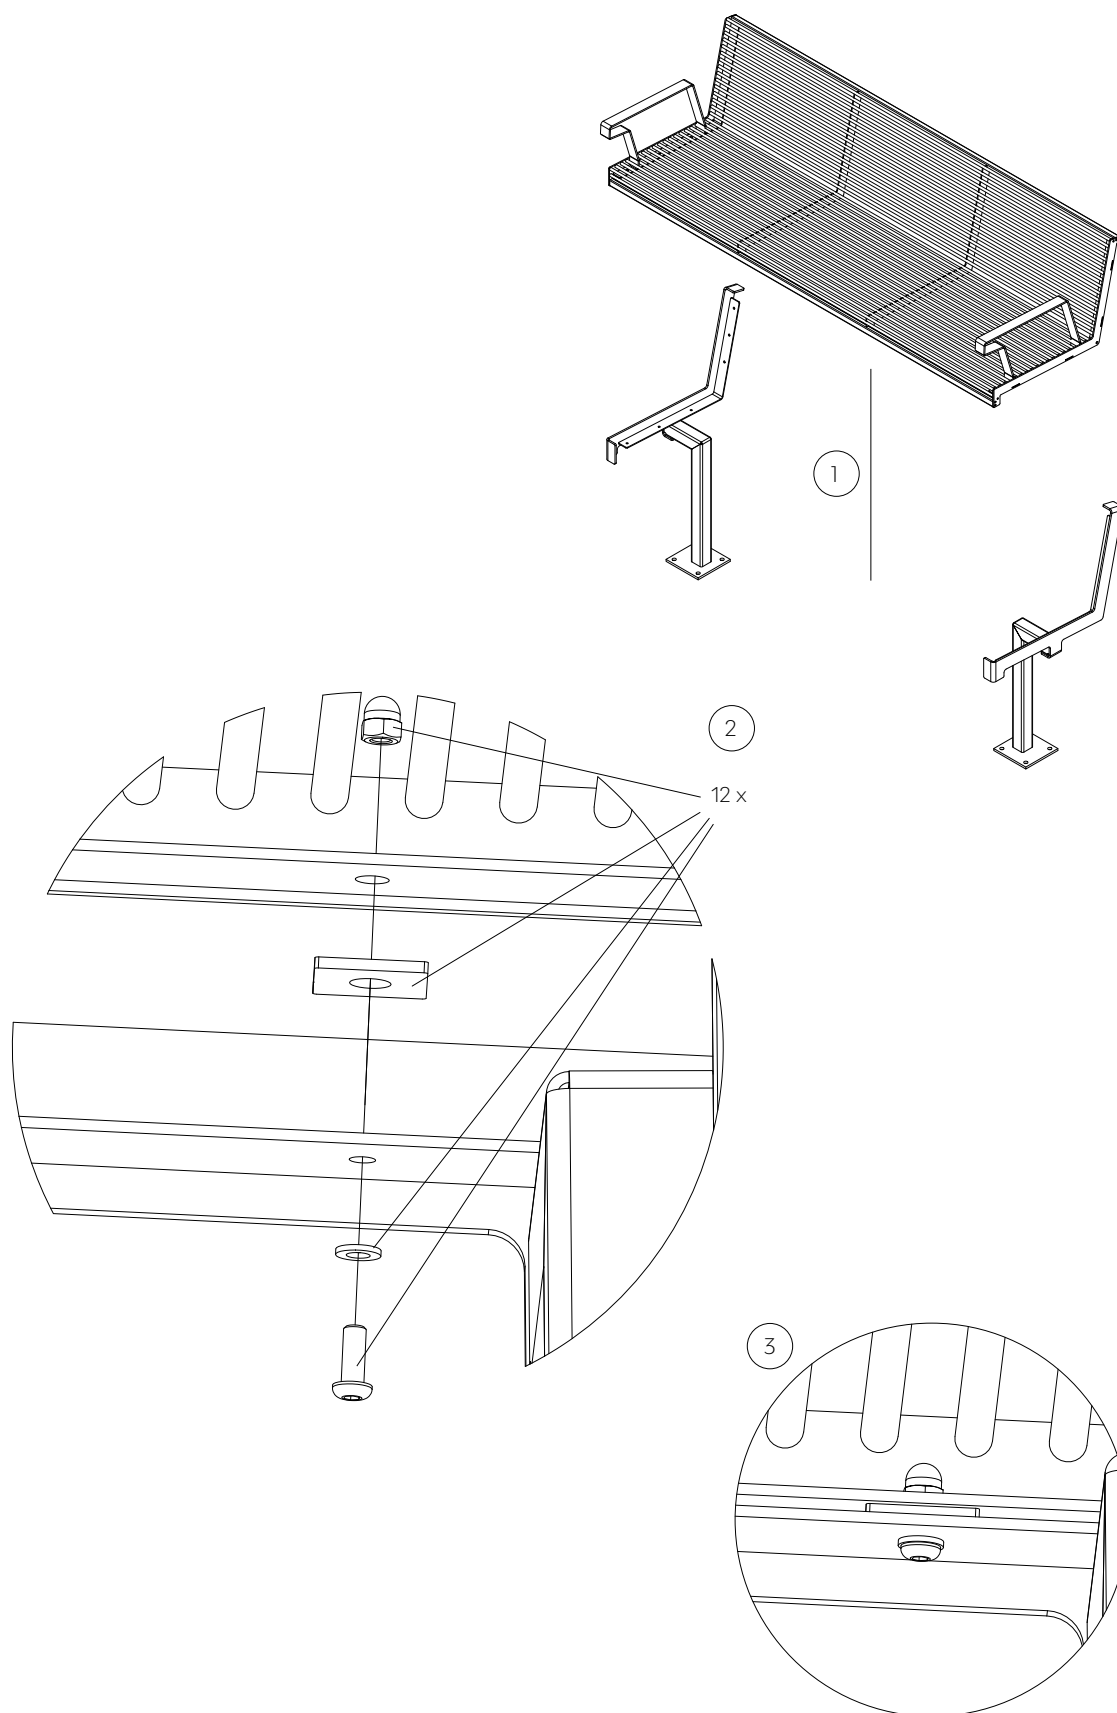

*

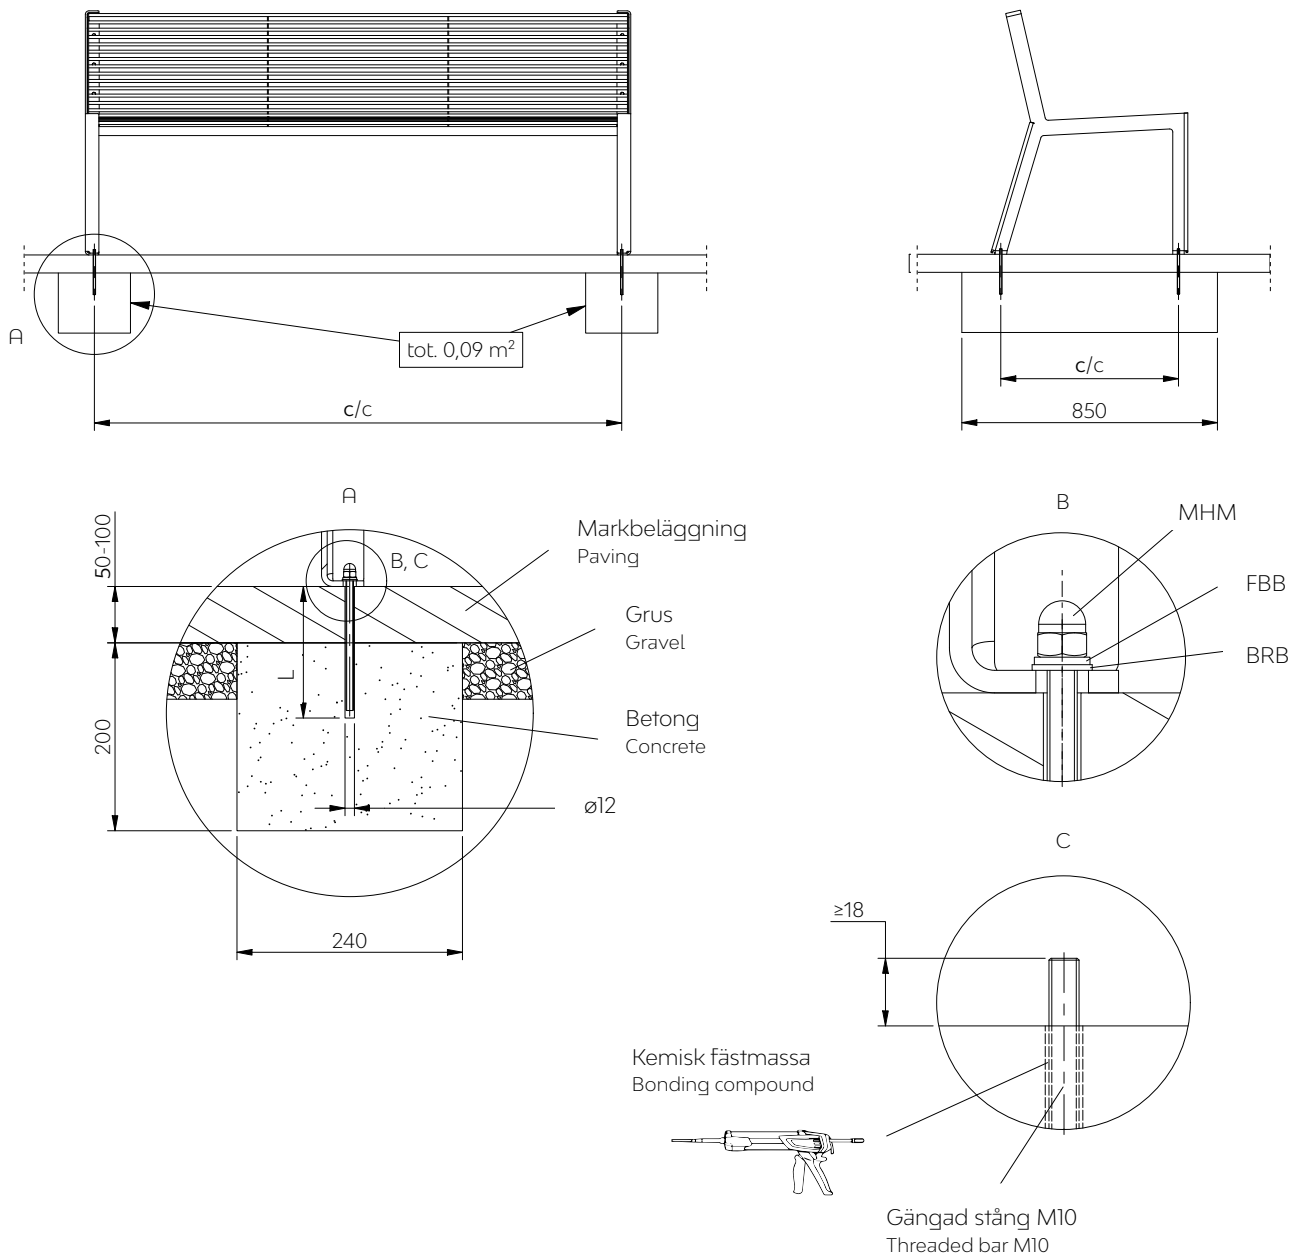

SV | För armstöd vid bord rekommenderas roterbar stol.

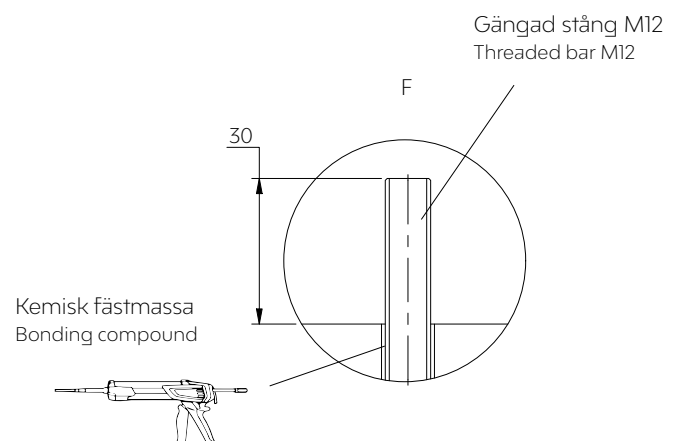

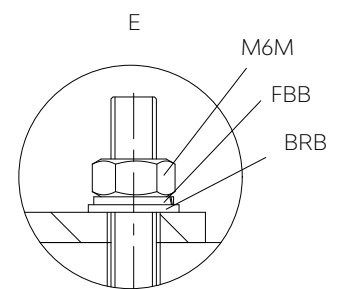

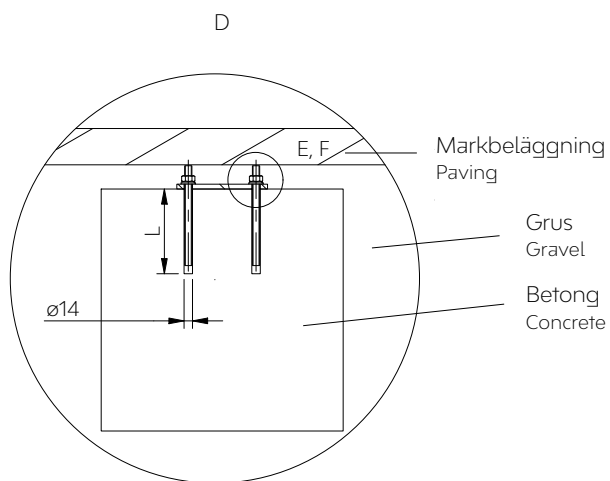

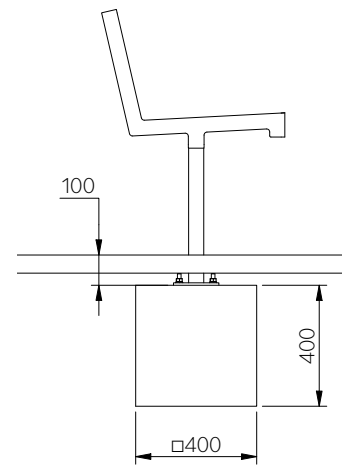

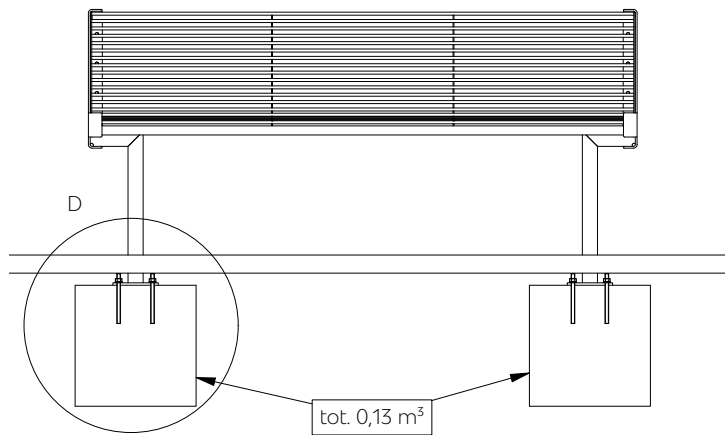

EN | For armrests, a rotatable chair is recommended.

3. Montering av stålsits | Assembly of steel seat

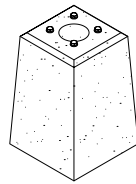

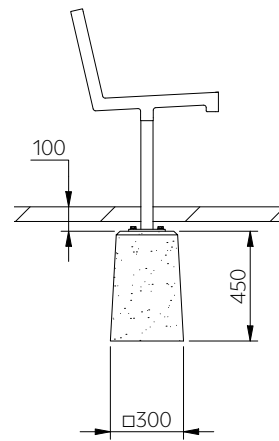

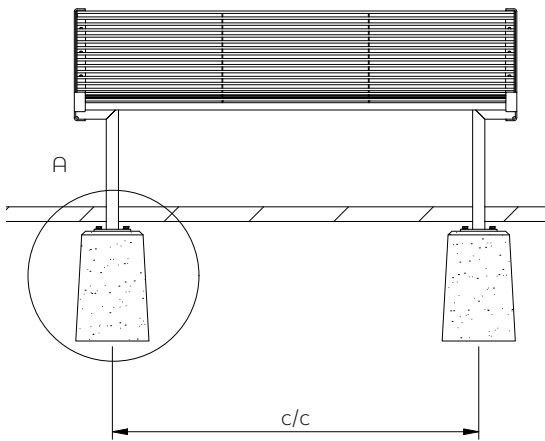

4. Ingjutning | Casting

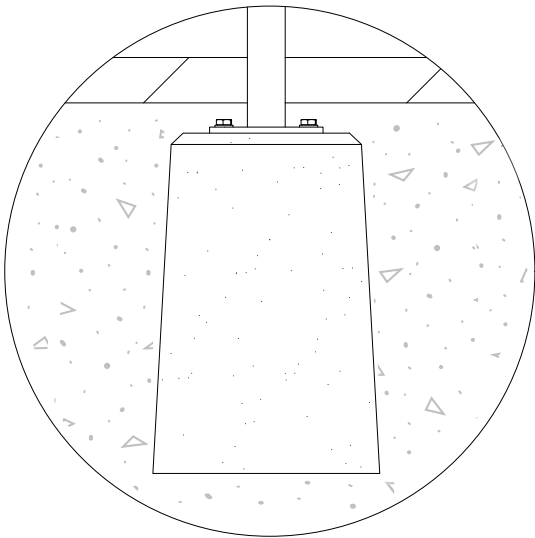

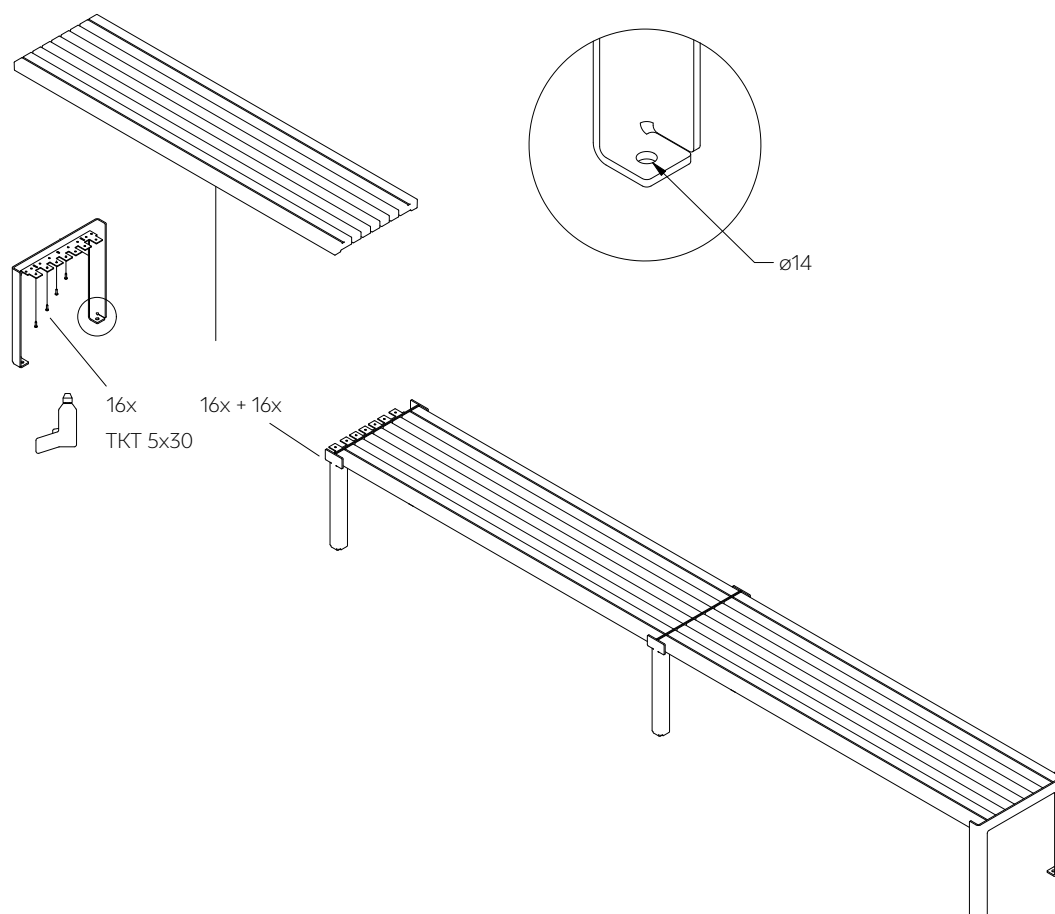

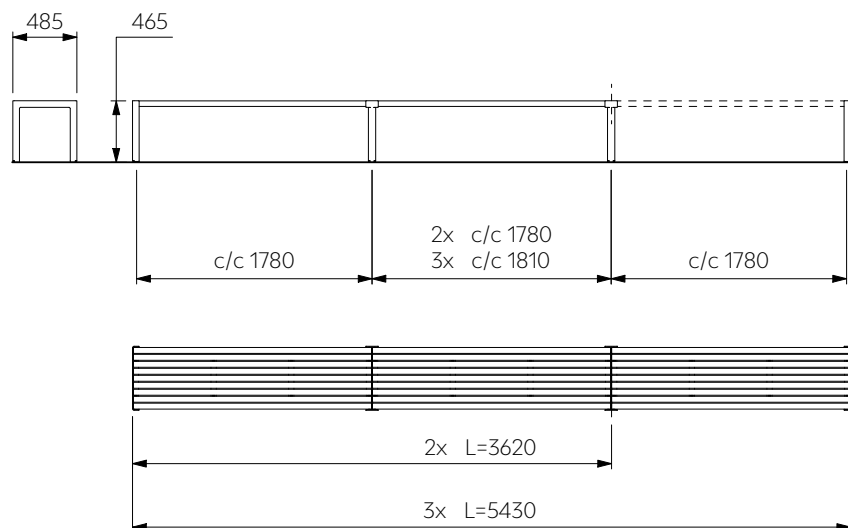

5. Fastbultning (under mark) | Anchoring (below ground)

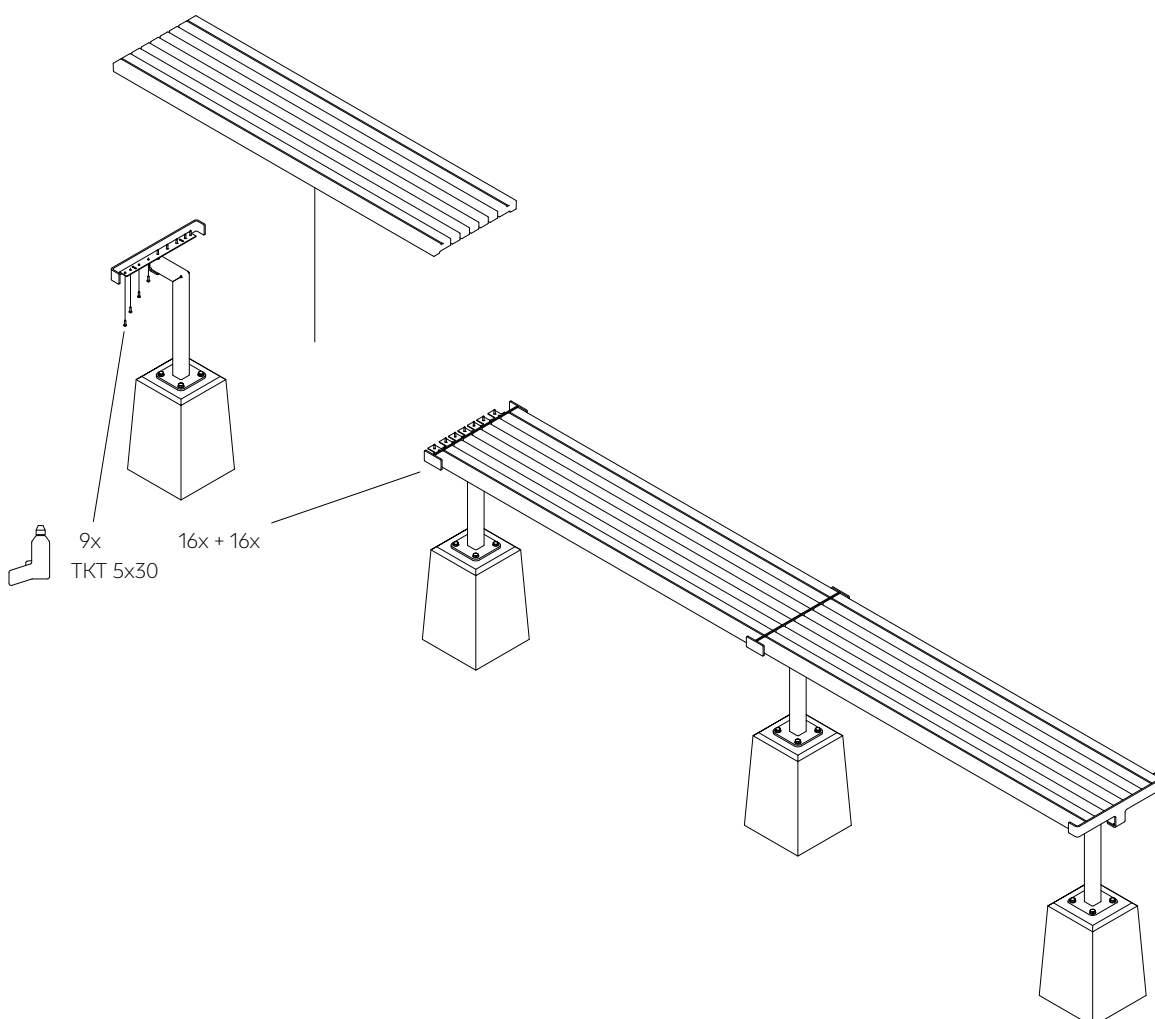

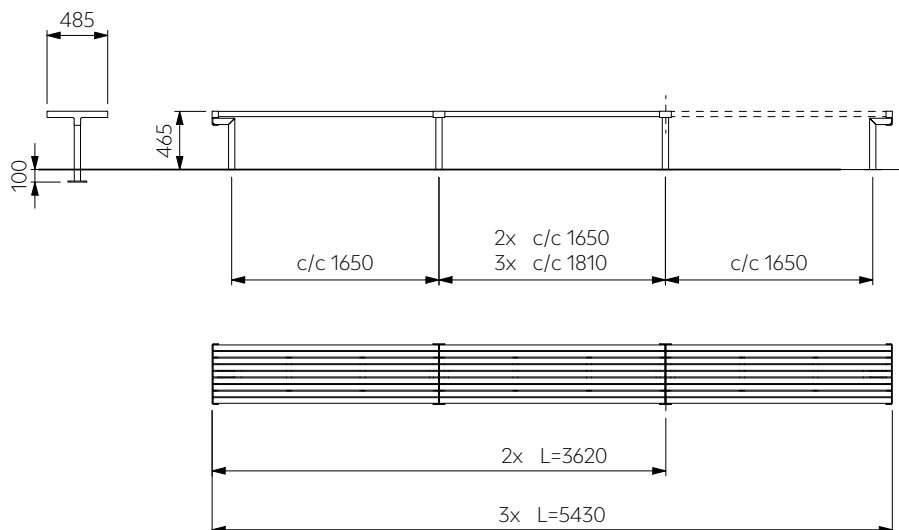

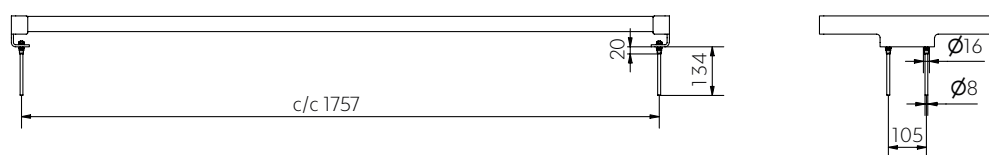

BET112

6. Modulära bänkar | Modular benches

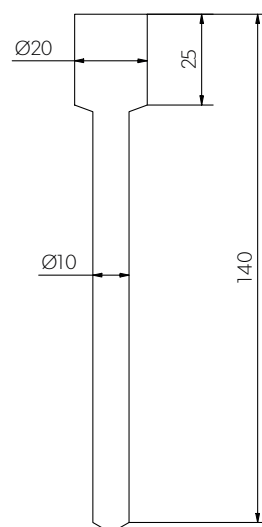

Borrprofil för kemankare

När alla hålen är borrade prova bänken i hålen med monterade gängstänger utan kemmassa för att säkerställa passning!

Gör eventuell justering.

Därefter kema fast hela bänken med monterade stänger.

Notera att kemmassa ej ingår!

A. Revisionsförteckning | Revision list

#	Utgåva Edition	Beskrivning	Description
1	2023-03-01	Första utgåva	Original edition
